ZETA Zircon Micronised, Mesh Sizes + Sand	X	X		X			X	X	X													
Fused Zirconia	X								X	X												
Zircon Mullite	X								X													
Eurospheres					X				X		X			X								
Metakaolin											X	X										
Light Weight EUROPROPS											X											
MOLOCHITE Clay																			X			
Andalusite	X							X	X													
KYSIL 58	X							X	X													
Sintered Mullite - Al2O3 % Ranging from 45% - 78%							X	X	X													
Fused Silica							X		X	X												
White Fused Alumina									X				X									
Rutile (Milled / Micronised)	X			X											X							
Bentonite	X							X	X													X
Wollastonite	X			X	X	X		X	X											X		
Magnesia (Caustic/Dead Burned/Fused)								X	X							X						X
Aluminium Trihydroxide (ALUMILL + MARBLEMILL)					X												X			X		
NYTALC (10, 20, 45 & 75)			X		X	X											X					
Brucite - NYMAG				X													X				X	
Nephelyne Syenite	X	X				X																
Chrome Flour 42 - 46%	X	X																X				
Manganese ore	X			X																		X
Mica						X		X									X
